

# TRANSPORT CURTAINS

Fabric Solutions Australia manufacture a range of Transport Curtains for the trucking industry. All of our Curtains are manufactured in Australia, and designed, fabricated and installed by us, or if required, prefabricated to your specifications and supplied as a self

Fabric Solutions Australia manufacture a wide range of **HEAVY DUTY TRANSPORT CURTAINS** to suit any size of side access vehicles.

In a competitive business such as the the transport industry, maintaining your mobile image is vitally important. All our Transport Curtains are sprayed with a **protective lacquer** which improves appearance, protects your advertising and makes cleaning much easier.

All our curtain hardware is of the highest quality including items such as:

- stainless steel buckles
- bearing rollers
- plastic coated hooks

High quality **DIGITAL IMAGING** can be easily applied to new curtains significantly increasing your profile.

**Why not advertise your business at every location your truck visits?**
