

“ Reinforced swimming pool liners for all commercial applications ”

Acqua Di Lusso Commercial is a specifically designed swimming pool liner for all inground and commercial swimming pools. Manufactured as a reinforced liner, Acqua Di Lusso is the ideal choice for all high use indoor and outdoor pools.

Suitable for smaller school pools right up to the largest commercial pools such as the Hayman Island pool at 8.5 millions litres in size. Acqua Di Lusso Commercial is the perfect choice for all commercial pools including community pools, hotels and resorts, sporting facilities and schools.

FEATURES

- Comprehensive industry warranties
- Eliminate costly annual surface maintenance.
- Suitable for all heated and commercial pools
- 3 layer watertight, reinforced membrane
- Custom made to fit any shaped pool
- Hard wearing, yet soft to the touch
